Times Of Your Life

Good morning yesterday,
You wake up and time has slipped away,
And suddenly it's hard to find,
The memories you left behind —
remember.

Do you remember the laughter and the tears,

The shadows of misty yesteryears?
The good times and the bad you've seen
And all the others in between — remember.

Do you remember the times of your life?

Reach back for the joy and the sorrow, Put them away in your mind, For memories are time that you borrow, To spend when you get to tomorrow.

Here comes the setting sun,
The seasons are passing one by one,
So gather moments while you may,
Collect the dreams you dream today—
remember.

Will you remember the times of your life?

Do You Remember The Laughter And The Tears . . .

The sun-tanned students gathered to buy books on Aug. 26 and begin a new school year. Book sale day indicated an end to summer and marked a time for securing old friendships and making new ones. The first full day of school was declared ''Meet a Stranger Day''. Students greeted newcomers and old faces alike, becoming better acquainted with classmates.

Freshmen were welcomed to K-MC with the 'Big Sister-Little Sister' dressup day, the swim party, and the Sophomore/Freshmen welcoming party.

School officially commenced with Bishop Maloney celebrating the Mass of the Holy Spirit at Magdalen Church. All students and faculty joined in thanking God for the blessings of school, friends, and family. After Mass the Bishop dismissed the students for the rest of the day.

Football season began with spirits raised to the highest at the first pep rally sponsored by the cheerleaders. The annual car caravan decked in blue and white, led by the traditional fire engine and police escorts, arrived at the game with anxious Crusaders ready to take on the Southeast Buffs. Following the football game, Mr. and Mrs. Jamie Coulter provided food and fun for students, faculty, and parents at their home.

Two weeks before carnival, raffle ticket sales began and because students reached the quota, they were granted early dismissal the day of the carnival. Junior Joyce Finn proved to be the top seller in the school by selling 72 books.

The first V.W. race in K-MC history was held after Penny Queen candidates were nominated. Each candidate was put in the driver's seat of a V.W. bug while six able-bodied men from her class pushed the car the length of the driveway. Senior candidate Kathy Lee won the V.W. race, however the Sophomores collected the most money, making Cary Hesse the 1978 Penny Queen.

At the afternoon kiddie carnival, children devoured food and won prizes. Later that evening the carnival was filled with freshmen pulling cake out of their hair, sophomores waiting out their time in ''jail'', and upperclassmen running to the marriage booth. Overall, the Student Council collected approximately \$2500.

The week of Oct. 17-21 was "Spirit Week" at K-MC. Costumed students portrayed their favorite movie on television show during the first days of "Spirit Week". At the spirit assembly faculty and classes plunged their faces in whipped cream for a candy bar, drank root beer from a baby bottle, and raced in gunny sacks, to name but a few events in the five-event relay.

After all the formal picture taking, a nice October swim seemed appropriate. Escorts cried, "Ladies first" as they posed beside the pool at Stratford East Apartments for the annual humorous picture.

Cruising Convertibles Carry Candidates

Convertibles, driven by Laurie Vickers and Lydia Hale cruised onto the field with smiling candidates and escorts anxiously waiting for the announcement of the Homecoming Queen. The red carpet rolled out across the field and the threatening rain clouds did not hinder the excitement of the crowd. For the past three years Homecoming Queens have been former Junior Class Presidents. Maureen Regan, the Junior Class President of the '76-77 year, was part of this unbroken chain, being crowned Homecoming Queen. Maureen was escorted onto the field at half-time by Chris Simon for Mike Kriwiel. The 1976 Queen Betsy Jones, escorted by Bob Clement, crowned Maureen who was royally congratulated with warm hugs and teary smiles, from excited friends. The homecoming game was another Crusader victory, KMC defeated Pratt 28-0.

Students Stir To Stratus On Starry Nights

"Dinner was fantastic! Can't you tell by my suit?"

"Should I really wear my crown?"

"No, I'm not crying! My date hit me in the eye when he put his arm around me!"

"The band is terrific! But there is no need to continue dancing when they're on break!"

"Did anyone get put on 'procial sobation'?"

"Starry Night" was the theme for Homecoming and as the Indian Summer night fell, couples gathered to dance to the music of "Stratus". Tables were decorated with candles and stars, setting the mood for the evening. The dance was held Oct. 22 in the Activity Room of the Newman Center on Wichita State University Campus.

Cecilia Kennedy assures Maureen Regan that all the phone numbers are correct.

Students Generosity Fills Thanksgiving Drive

The murmur of students, faculty, and staff dimished, heads bowed, and voices rose in a song of joy as the Thanksgiving Mass began in the auditorium. Meaningful banners explained the sorrows of the elderly, and cans of food surrounded the altar, setting a mood of giving and thankfulness. The cans were collected from individual Homerooms and a film 'The Sting' was sponsored by Stucco. The cans were sent to St. Joseph Catholic Center for the Aged.

And Overflows Into Christmas Festivities.

ewcomers at the Faculty Christmas Party, Ms. Levenson, Mrs. O'Holran and Mrs. Reed just can't get the tune out when entertaining the vetan teachers.

Crusaders frolicked into the Christmas season with different classes sponsoring spirited projects for Our Lord's Birthday. Students volunteered time to ring bells for the Salvation Army. The Seniors, Sophomores, and Freshmen provided food, clothing, and toys for three less fortunate families in the community. The Juniors collected blankets for the Catholic Social Service. To ignite the Crusader Christmas Spirit on campus, Seniors decorated a Christmas tree in the round and to make absolutely positive that winter freezes had arrived, the Juniors conducted an ice cream sale and invited students to have pictures taken with Santa at K-MC's ''Santaland''. The Sophomores sold popcorn balls and the Freshmen had a Goodie Sale. A Christmas concert was presented on December 18 to further celebrate the joyous season. In appreciation for the support from students in Christmas projects, Stucco sponsored a free Christmas Soc Hop. The dance was held in the gym and entertainment was provided by Mr. Boogie and the Disco Factory. The Christmas Season was highlighted by a Candlelighting Mass Ceremony for students, faculty, and staff before the long-awaited dismissal for the holidays.

Student Government

The Student Council prepared for the 1978 school year by sending representatives from each class to the Camp Cheley Workshop in Colorado. The busy year was filled with numerous activities sponsored by Stuco including the annual Carnival, Homecoming dance, Salvation Army bell-ringing, and Parents' night. To further interest in the Thanksgiving food drive the movie ''The Sting'' was shown in the auditorium. Students gave of themselves for the Oxfam fast, and the Blood Drive. For the first time Stuco held a

''Teacher-Appreciation Day'' during which students showed their gratitude to the faculty. Each instructor was given an apple during the day and enjoyed an evening banquet during which Stuce imitated teachers in a skit.

The Student/Faculty Advisory Board met frequently to discuss problems in the school policies. The Board worked as an effective channel between students and the administration. The moderator, Mr. Art Anderson, led the Board through the year.

State Champs Break Record With Fourth Straight Title

The Crusaders became the first team in the history of the State playoffs to win four consecutive 3A titles. KMC defeated DeSoto 41-6 for their fourth title in a row and sixth in the nine-year history of the playoffs. Shawnee Mission North in 5A and Scandia in eight-man held previous records of three straight titles. The six state titles won by KMC are also a record, breaking KMC's previous mark of five.

Because of repeated victories Coach Ed Kriwiel and KMC fans dealt with criticism in game strategy, sportsmanship, and recruiting accusations. When the Crusaders scored a touchdown in the last minute of the KMC Augusta playoffs, KMC was critizied for ''rubbing salt into recently opened raw wounds.'' Eagle/Beacon sportswriter McKay attempted to retract his indictments when the Augusta coach justified KMC's actions. In regard to recruiting accusations, Coach Kriwiel stated in the Wichita Eagle and Beacon, ''... Who are we recruiting? People are recruiting us.'' KMC had a victorious season with Mike Boushka named one of the top eleven Eagle/Beacon All-State Football players and also named All-American by Parade Magazine. Making the All-State First Team were: Mike Kriwiel, Chuck Carroll, and Mike Boushka (defense). All-State Second Team were: Mike Boushka (offense), and Devin Gordon. All-State Third Team were: Jim Foster and Mike Daniels.

Cross Country Team Surprises Competitors

The Cross Country team performed magnificently as they conquered the first place title in City, Regional, and State tournaments. It was a first in KMC history! The tenacious team, coached by Larry Farrell surprised City League foes with a decisive point win over South. They went on to win the Regional and State competition, proudly mustering a 26 point lead in the final contest.

Outstanding individuals were Seniors Rick Johnson and Mark Ayres. Fine performances were also displayed by Junior Tom Englert and Sophomore Dennis Regan.

Since the team lacked depth, it was fortunate that not one member suffered injury or sickness in the final races. With indefatigable determination the Cross Country team became the new champs of KMC.

The Girls' Golf Team, coached by Perry Wright had another successful season. After defeating every team in league play, they took the City Championship, and placed second in 3A Regional and State tournaments. The four girls team for city play consisted of Allison Byer, Julie Navrat, Chris Byer, and Pam Bowman. For Regional and State, Freshman Lori Blaes qualified for the fourth woman position. Chris Byer took second place medalist honors for over-all individual scored at the State Tournament.

Narrow Losses Plague Gymnasts

The Girls' Gymnastic Team, coached by Perry Wright started a promising season in the City League, winning all the dual meets except one to South. They went to the city meet determined to beat South but lost by a disappointing eight tenths of a point, and took second place. The administration once again worked to instill in the minds of students the beliefs and principles that would successfully mold their adult lives. The administration dealt with the variety of problems that inevitably arise in a high school and with industrious efforts, another rewarding school year was completed.

The office staff counseled and advised students about new schedules and future colleges. They continuously struggled with the paper work, accounting and numerous duties necessary to keep a high school running. The office staff was essential to all of KMC.

The hard working maintenance staff managed to keep KMC in shape year round and were always there when needed.
